## Hero of the Week

Many thanks to Gary who spent much of Monday and Tuesday at the church in the cold attending to the heating issue. A part has been ordered from Boston, and this will hopefully be resolved soon.

## Church Council News

We are seeking nominations for our various committees to be confirmed at our annual Congregational meeting on January 25, 2026. If you are interested in participating or changing to another committee, please reach out to any member of the Church Council or a committee chairperson. It is important to the health of our church to have diverse experience on all the different committees. We look forward to hearing from as many people as possible.

## Pet Place Pantry Donation

A huge thank you to the Cumberland County 4-H Swiners for their donations to the Pet Pantry. Although the awards supper had to be moved from NYCC to another location due to the lack of heat, they still showed up with donations in support of the pet pantry. How awesome and inspiring is that!

## From the Desk of Pastor Day: 20 + C + M + B + 26

As I write this it is Epiphany, celebrating the visit of the Magi to the Child Jesus, and in Eastern Orthodoxy, Jesus' Baptism by John in the Jordan. (More on that below.) In some cultures and traditions Epiphany is even more significant than Christmas since it commemorates that God's plan of salvation was revealed for all humankind.

While the Bible shares scant details about the Magi – just 12 verses in Matthew – tradition and imagination has supplied them. For example, we do not even know how many Magi there were; since they offered three gifts, it is assumed there were three. There could have been two or twenty. Plus, they undoubtedly included a larger company of servants and guardians. Furthermore, association with Isaiah's prophecy has granted them royal status – hence, “We Three Kings.”

Tradition even names the Magi—Caspar (or Gaspar), Melchior, and Balthasar. Holy imagination identifies them as coming, respectively, from the three known continents—Asia, Africa, and Europe—and of varying ages: a young man, a middle-aged man, and an old man. Thus, the Magi represent all mankind.

We often translate Magi as “Wise Men,” but they may have included men and women. All we know for certain is that they were astrologers from the “East.” It is very likely that they came from Persia, Rome's rival empire to the East. That would readily explain the panic experienced by Herod and all Jerusalem: representatives of a rival empire claiming that an alternative, more legitimate king had been born—perhaps a prelude to war. The dominant religion of Persia was Zoroastrianism, a monotheistic faith that fostered astrology and included women as well as men among its seers.

There has been much speculation about the “Star” they followed as well. Was it a Supernova? An alignment of the planets and constellations? A comet? The last explanation has often been dismissed since comets do not “stop and stay” for any time. However, just recently an astronomer has claimed that records from ancient China describe a comet behaving just like that! Who knows?

There is an ancient tradition of “chalking” the lintel over the door of one's home on Epiphany, using the year, four crosses, and the initials C, M, B, thus: 20 + C + M + B + 26 Some think the initials stand for the three wise men—Caspar, Melchior, and Balthasar. Actually, they represent the Latin phrase *Christus Mansionem Benedicat*, which means “May Christ Bless this House.” It is most appropriate to begin the New Year with prayers for God's blessing.

In the Western Christian tradition, Jesus' Baptism is celebrated on the First Sunday after Epiphany – January 11th this year. On Sunday we read from Matthew 3:13-17 and observe a liturgy for the Renewal of Baptism—remembering who we are and to what God is calling us. I hope you can join us, in person or on-line. I will also be sharing a brief guide for prayer for the next two weeks.

Grace & peace,

Pastor Paul
